

COBRACO®

Professional Lawn Edging

COBRACO® Professional is our medium grade (equivalent to competitors' top of the line) lawn edging packaged for the Mass Merchandiser and Garden Center shelf. This product comes in an exclusive look and compare retail package.

Features:

- Attractive four (4) color packaging that maximizes retail shelf space.
- Structural integrity allows the edging to fulfill its patented features.
- Ten (10) Year Warranty against cracking or lifting out of the ground.
- No stakes are necessary nor recommended. Therefore, no liability to you and complete safety for the user.
- Specially formulated plastic U.V.I. resins and design to maximize flexibility and prevent cracking or lifting.
- Easy installation allows Professional Lawn Edging to become a quick and permanent part of walk-ways, lawns and bedding areas.
- Meets U.P.S. shipping standards.
- Comes in master cartons containing eight (8) sleeves each.
- U.P.C. coded.
